Land Adjacent Dolphin Rise Millstone Close Whittle-Le-Woods

Erection of 2no. detached dwellings

Reference 22/00572/FUL | Alternative Reference PP-11275249

Application Validated Wed 08 Jun 2022 | Status Awaiting decision

There is no mention of the previous application 20/01088/FUL for a single dwelling which was approved. The access on to Chorley Old Road is already a dangerous one due to the sharp bend on Dolphin Brow. Further development will only make this worse. The inclusion of solar panels on land to the rear should be subject to a separate application. The houses are spaced too close together when compared to the existing housed on Millstone Close. There is no electricity supply shown to the FW Treatment Plant. This application should be refused.

Fig Tree House Barn Tanhouse Lane Whittle-Le-Woods Chorley PR6 8FD Minor non-material amendment to planning permission ref: 21/00520/FUL (Conversion of existing barn to dwellinghouse, including two storey extension with glazed link to house) involving the erection of a single storey extension

Ref. No: 22/00454/MNMA | Received: Sat 23 Apr 2022 | Validated: Tue 17 May 2022 | Status: Unknown

Comment from Planning:

The proposal would increase the size of the development which warrants further Green Belt assessment and also consideration of design matters. In addition, the proposed extension would attach to an approved single storey side extension and due to the proximity of the proposed extension to the boundary with the neighbouring residential property, The Elms, it is considered that there is potential for greater impact on the amenity of the occupiers of this property The proposed amendment, therefore, requires further detailed assessment and further publicity which is outside the scope of S96A of the Town and Country Planning Act 1990. I can confirm, therefore, that the proposed amendment cannot be accepted as a nonmaterial amendment to the approved development and the application is hereby refused.
